A live thing maybe;
The summer knows
For the cool moss
Each side, and saves
That it lives out

who shall know?
and suffers it;
is thick and sweet
the blossom so
the long June heat.
"The Sundew" by A. Swinburne

"Bereft"

Where had I heard this wind before
Change like this to a deeper roar?
What would it take my standing there for,
Holding open a restive door,
Looking downhill to a frothy shore?
Summer was past and day was past.
Somber clouds in the west were massed.
Out in the porch's sagging floor
Leaves got up in a coil and hissed,
Blindly struck at my knee and missed.
Something sinister in the tone
Told me my secret must be known:
Word I was in my life alone,
Somehow must have gotten abroad,
Word I was in my life alone,
Word I had no one left but God.

Gossip, Laughs, and the Ever changing style...

Student Life

Capac High School has become our home away from home. The people here are mentors and forever friends. C.H.S gives us the chance to choose our path in life and run full force with our eyes wide open. The experiences you have will forever be priceless and unforgettable.

Amanda Gunderson and Jamie Clay show their pearly whites.

Couldn't be better friends, Jennifer Wallace and Stefanie Konyha express to the camera.

Tracy Murphy and Jessica Dzieszkowski smile pretty for the camera.

Christine Felek and Jaimie Ziolkowski show how to let loose.

William Schimidt is really trying to hold back the smile.

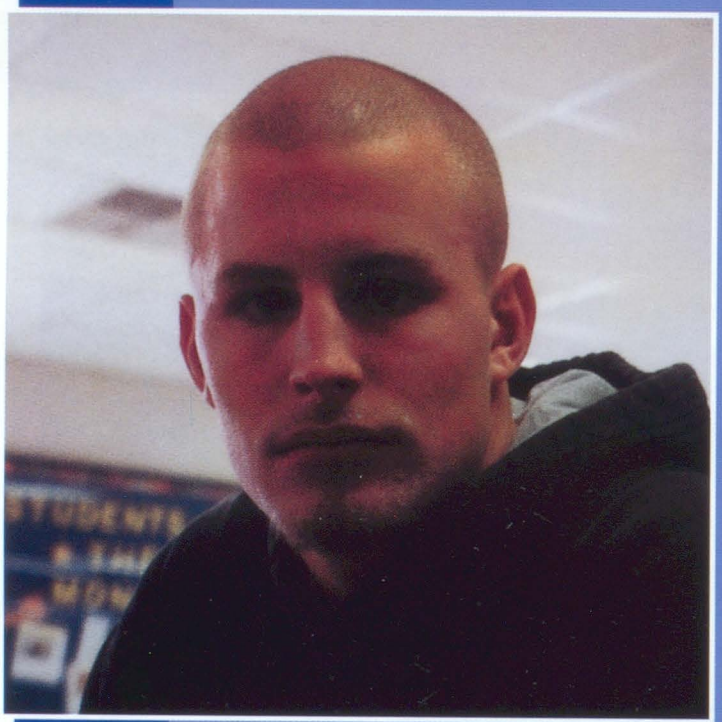

PICK-UP LINES

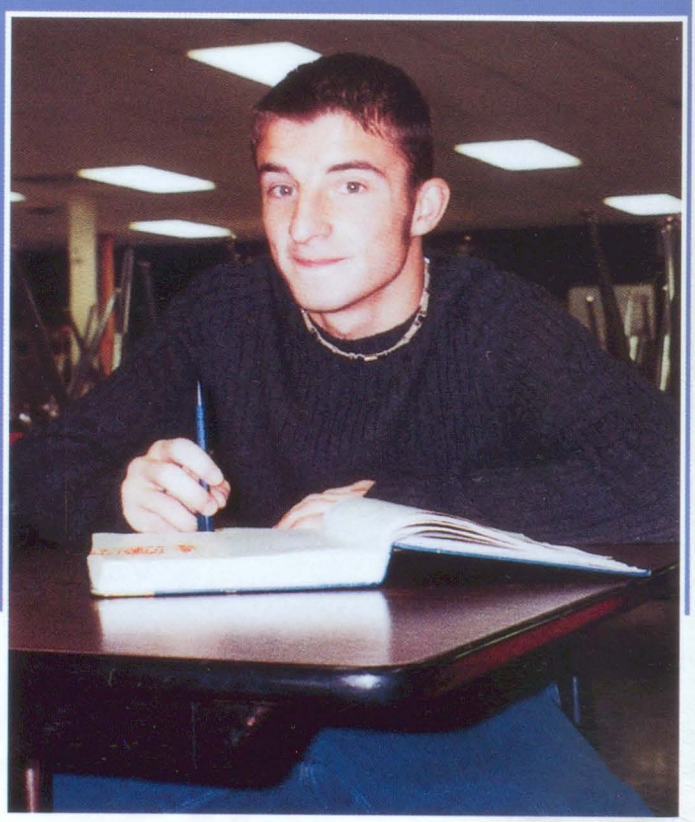

The most nervous time of a young man's life, and the most annoying time of a young woman's. Talking to the the opposite sex for the first time! What's the best or worst you've ever heard?

Just speak your mind

One of the biggest parts of growing up is learning to to deal with rejection. During your adolescence you get to a point where you expect to get turned down. Most people don't know that pick-up lines are just to get a good laugh, to start the conversation, or to help get rid of the awkwardness. Once the conversation gets going, everything just comes naturally from there. Let's check out some of the most popular pick-up lines, and their outcomes!

WhoShouldPay?

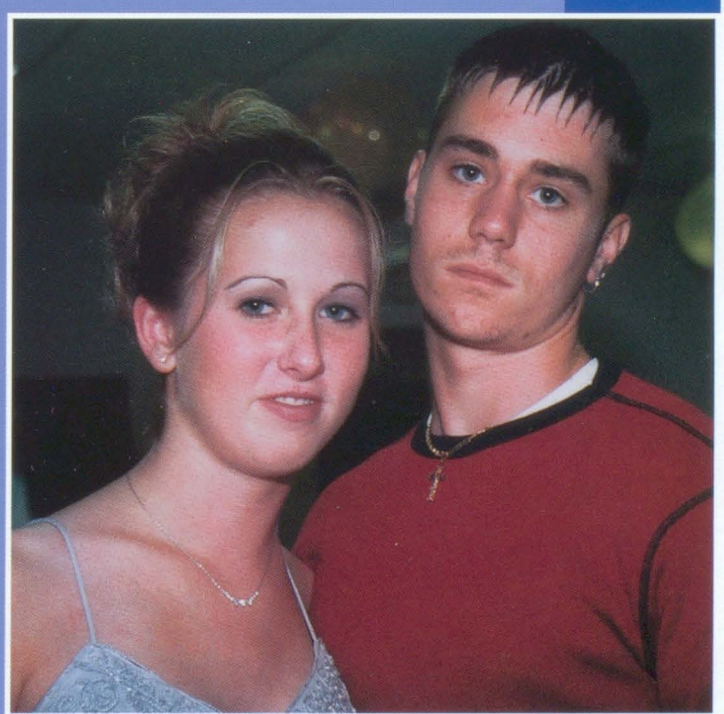

As the years go by, the question of, "Who should pay, men or women," arises more and more. Some insist that a man should pay just because he is the man. Others believe that if women are really equal, they should be equal in every way.

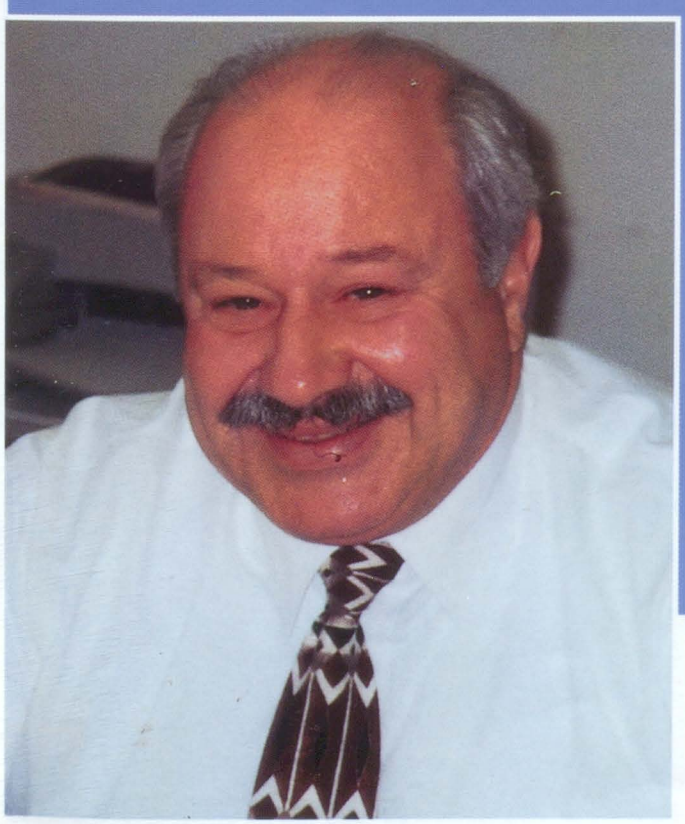

"It depends on who invites who. If I invited the person on the date, then I would expect to pay."

-Mr. Baker

In just the past few years, it seems that more and more women complain about not being thought of as equal to men. In recent years, the statement, "Girl Power!" has been used more often. Some think, if women ought to be paid equal wages, then they should spend equally too. A vast majority of people feel that it's a man's place to pay, because of tradition. Let's see how C-Town's students feel about this sometimes very touchy subject.

FRIENDSHIP

In spite af all the difficulties students face during the school year, one thing we can count on to get us through is our friends.

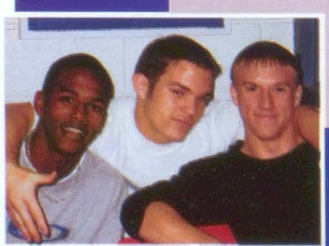

How would high school be without friendship? There are so many memories that can be made. There are the happy times of laughter and excitement and the bad times of tears and unhappiness. Luckily, your friends are there to help you get back on your feet. A true friendship is the people who are there throughout the years and never let you down. These are the friends who will always be remembered in your life!

Top right: That's nice guys, but where are all the girls? Top left:Jolene Miller and Stevie Lyon show what real friends do at lunch. Bottom right: These senior girls take time out of thier busy schedule to take a picture. Bottom left: Vince Smith, Carl Nelson, and Brendan Harms must be good friends because their sitting awfully close. Middle bottom: Melissa Hull and Megan Cutcher smile pretty for the camera!

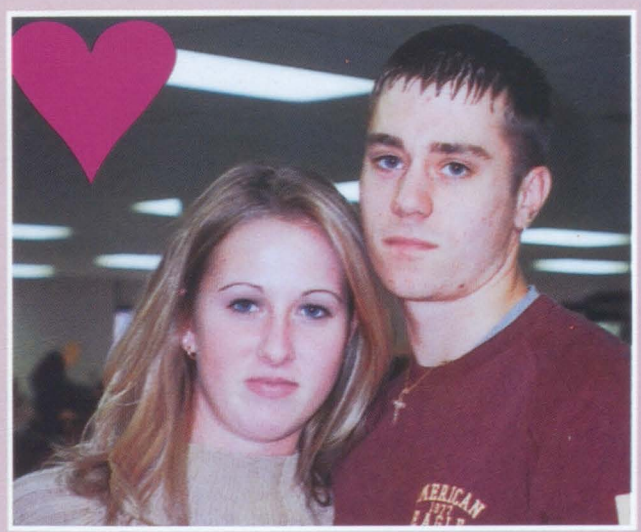

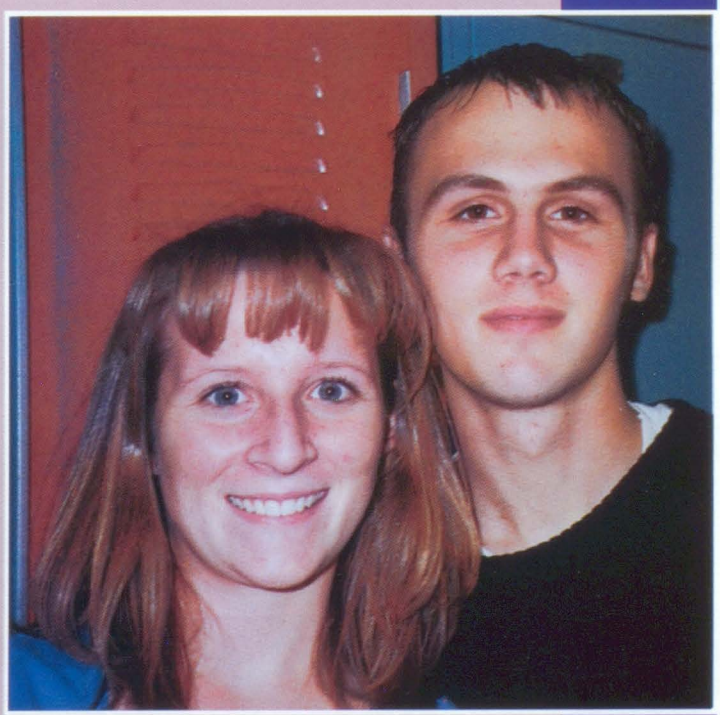

SWEETHEARTS

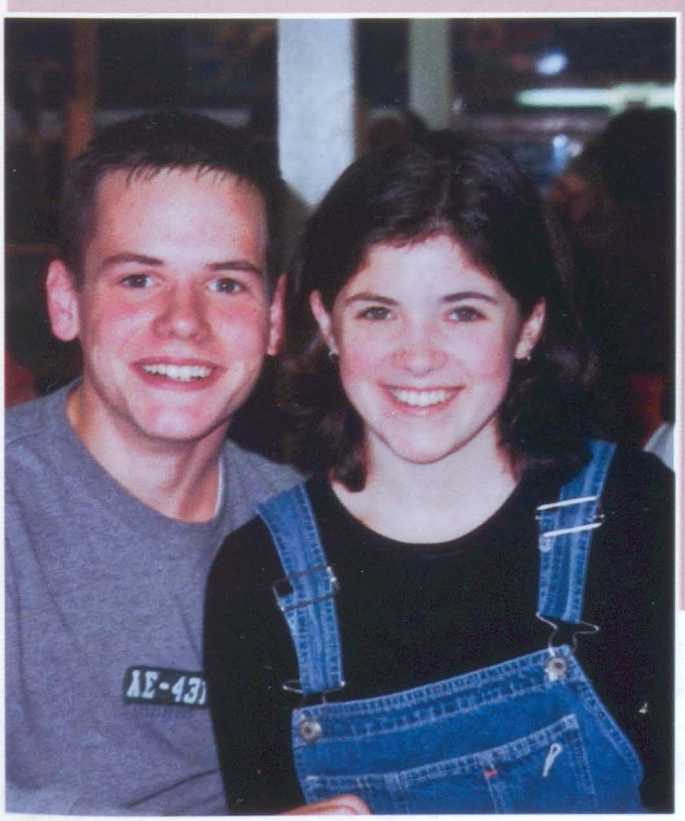

Love is what inspires people to grow up and act a little more mature through their high school years.

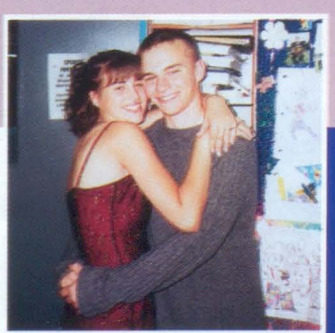

Top Left: Nick Murray and Ashly Hopkins look like they're happy to be together. Top right: Danielle Nahernak and Jim Luellen take time to pose for a nice couple shot in front of their locker. Bottom Left: Greg Lewis and Nicole Gresell look like two love birds. Middle Bottom: Aaron Cochran and Sarah Redlawski look like they are happily in love. Love is something you look for all your life. These high school sweethearts have found it. What can be better than making memories with someone special during high school? These are the people who were scared to call each other at first and hesitated to talk to each other in between classes. Things have changed for them during the years. They are now more comfotable with each other. These sweethearts show they are very happy with their life at Capac high school.

C-TOWN CARS

THE GOOD, THE BAD, AND THE BROKEN

The memories of your first license, first car, and first speeding ticket (Maybe we shouldn't go there?). These are all things that you will never forget. You also won't forget the best car in the parking lot and definetly the worst looking car.

HOMECOMING

Gettin' Down With C-Town!

We kicked off the year in usual form with the football team in winning stride just like the girls basketball team. Shortly into the season comes homecoming and spirit week. All the respective classes decorate their halls and participate in the days activities. Friday rolls around and so does the game as the Chiefs take on Memphis and as always the guys come out victorious. As the week comes to an end we go out with style as the girls turn into Cinderellas and the guys put together their GQ looks and set off to the dance.

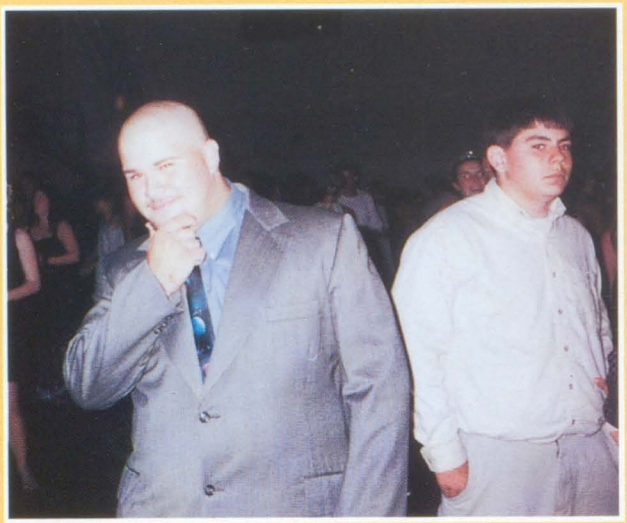

Above: Mr. Cutler on top of things as usual (Mr. Topie).

12 YEARS OF SCHOOL ALL LEADS DOWN TO....

SENIORS

We finally made it!!! It seems just like yesterday when girls ran from the boys because they had cooties. Through the good times and the bad times we stuck it out. When we leave here we will all remember the good times we had and the great friends we made. Together we had our fair share of laughs and we shed a couple tears. Now walk through those doors with your head held high just as you did 12 years ago, and look back on all the good times we had at Capac High.

Working hard in C-Town...

ACADEMICS

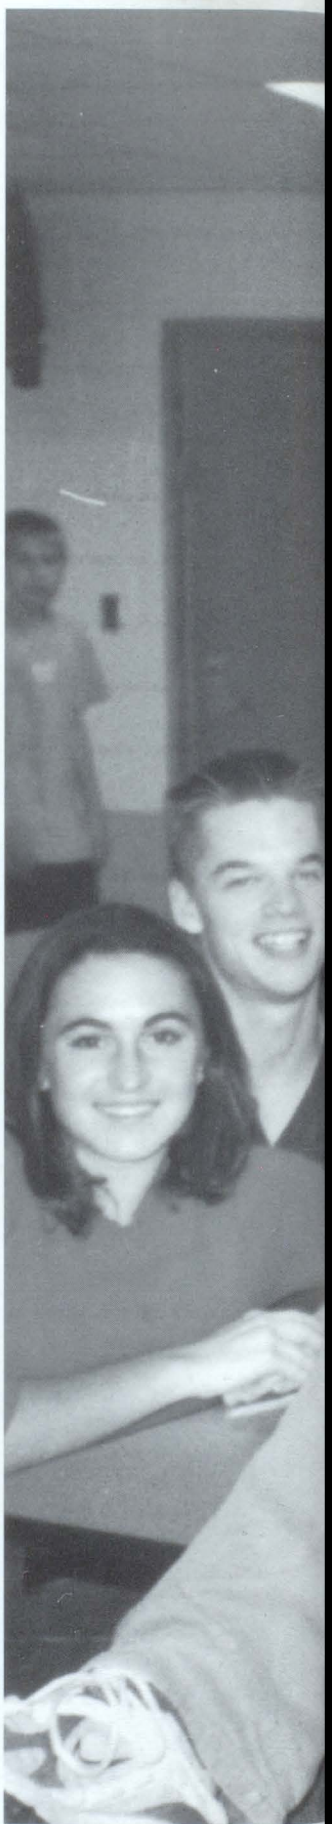

As we go through our high school years we are always faced with many challenges. Passing every class and becoming friends with everyone are just some of the challenges we face. Every student has to have a certain amount of credits to graduate. Sometimes the classes we have to take may seem boring and unnecessary, but we have to look at the bright side, and just think of the good times we get out of them. Think of the knowledge we gain and all the memories we get to share with our friends. Your high school years go by fast and will always be cherished. You want to go on in life thinking that you gave it your all, and never regret anything.

What do you think is the best or worst part of riding a bus every-day?

"I don't like to ride the bus because all the little kids are loud and annoying and I always go home with a headache."

JUNIORS

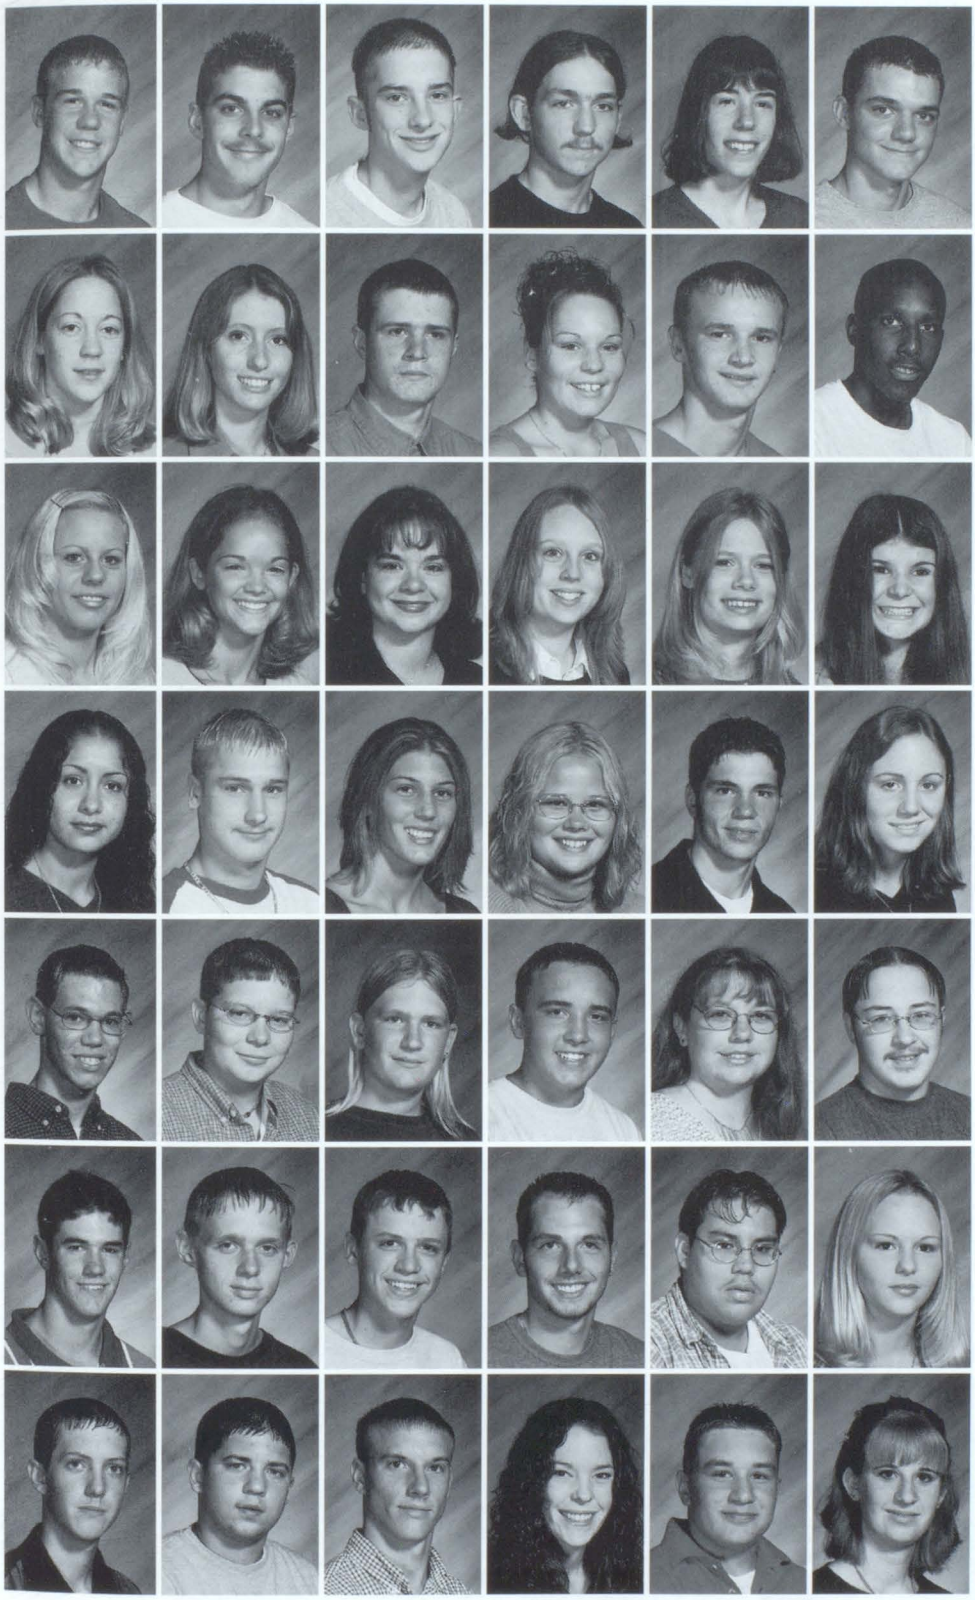

THE JUNIORS SEE THAT THE END IS NEAR WITH TWO YEARS LEFT INCLUDING THEIR LONG AWAITED SENIOR YEAR THIS YEAR'S JUNIOR CLASS HAS BEEN GROWING IMPATIENT. WITH THE COLLEGE STAGE GETTING CLOSER AND GRADES BECOMING MORE IMPORTANT, THE STRESS STARTS TO BUILD. NOT TO WORRY THESE JUNIORS ARE WELL PREPARED FOR WHATEVER IS TO COME.

Movin' On Up

What's the best and worst thing about 8th grade?

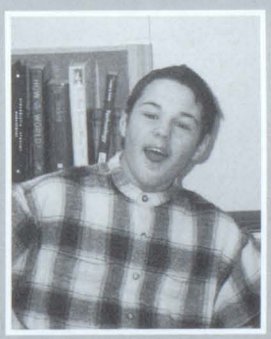

"Best thing is the teachers are easier on us, but worst thing is that we are the smallest people here so we feel incapable of doing anything."
-Rachel Morrow

"The best thing is that I am in high school, but people think you're still so young and they don't give you the chance to prove your maturity."
-Danielle Kiss

"The worst thing about being in 8th grade is the lunch is too short. The best thing is I can come to school and learn different things every day."
-Eric Stine

"The worst thing about being in 8th grade is that all of the older students think they can boss you around."

ORGANIZATIONS

Community service, fundraising, raffles, competitions, and fun all come to mind when you think of organizations. Organizations are very important part of a teen's high school career. They teach you many things and help you to meet many new people.

Band

"We are the music makers, we are the dreamers of dreams."

Playing C-Town Beats

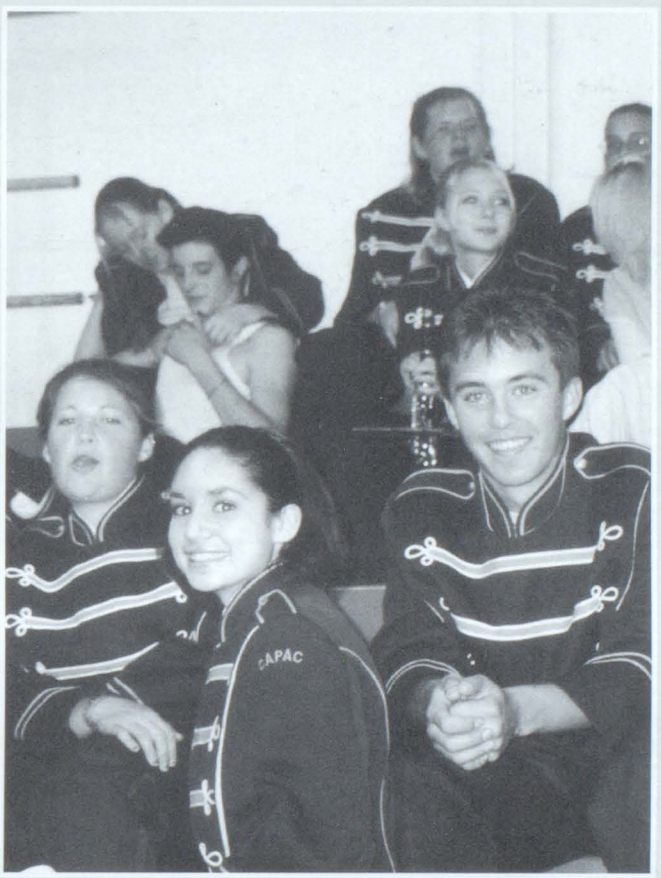

This year the Capac High School Band got a new director, Mr. Fox. But, this change did not effect the annual traditions of band. They started the year marching at every home football game, including Homecoming in the pouring rain. The band also participated in the Christmas Benefit Show, Band Festival, Pep Band, and the Spring Band O'Rama. Some students also went on to participate in Solo& Ensemble, and three students (Erica Ray, Phillip Wellman, and Jamie Clay), were chosen to participate in East Shore Honors Band. This was definetly a rewarding year for the Capac High School Band, and one that will be remembered for entertaining C-Town.

Student Council

"Success is peace of mind in knowing you did your best."
-John Wooden

This year's student council has been very productive. The student council started the year out with Homecoming preparations, and continued their successful work on meaningful projects throughout the year. Some of the activities in which the group participated were: The Fall Leadership Conference, The Thanksgiving Turkey Dinner Drive, Snowcoming Spirit Week, Pep Assembely and Dance, Spring Middle School Training Workshop, and many more. The Student Council had a productive year and will certainly have many more in the future.

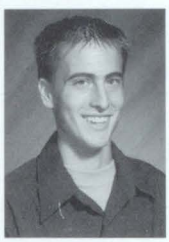

Laura Lentz, President

"I have been in Student Council for 5 years, each year is better than the last. Mr. Cutler is a great advisor, and he makes Student Council enjoyable."

Phillip Wellman, Vice President

"My favorite memory of student council this year, was announcing the Snowcoming King and Queen, at the Snowcoming Game."

Meghan Lewis, Treasurer

"Student Council has been great this year! My favorite thing was working with the new members, especially the eighth graders."

Jennie Page, Secretary

"This was my first year being in the Student Council, I enjoyed it a lot!"

Katie Smith, Secretary

"I loved going to the Student Council conferences this year. They are always my favorite thing about being in the Student Council."

Business Professionals of America

"Achieving Excellence, Together"

At the State Leadership Conference Katrina Campau was named the Region II Vice President. Katrina and Stephanie share a moment after she was inducted.

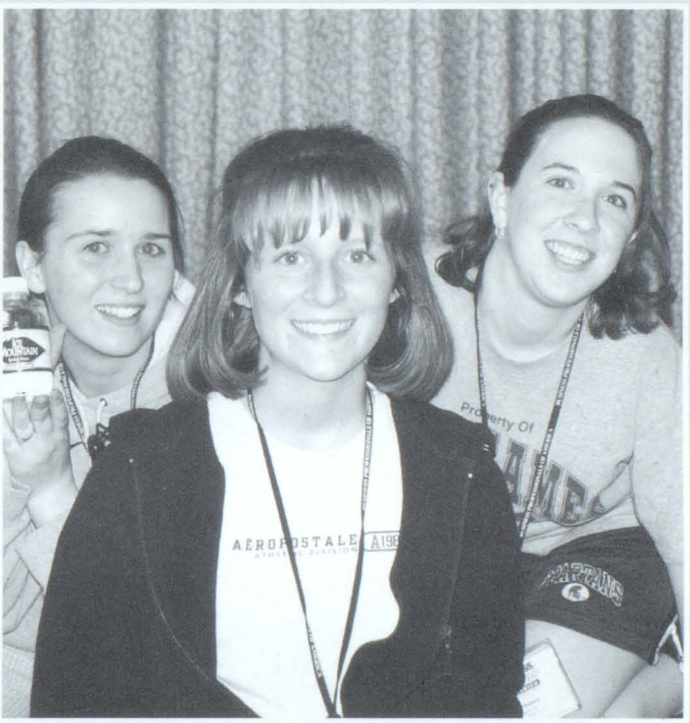

The Capac Business Professionals of America Chapter

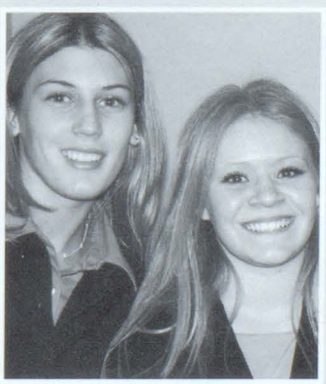

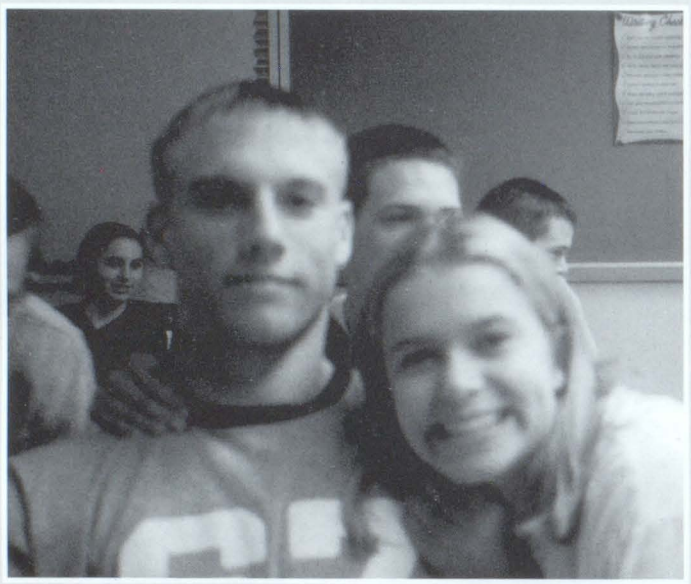

At BPA States there are a lot of memories that are made. Old friendships grow and new friendships are made. Members look forward all year for the State Leadership Conference. It's a time for them to hang out and have a lot of fun with each other. Along with competiting in their events, the chapter went to Greek Town, had a Euchure tournament, and played with remote control cars. These were just some of the activities that the members could do to relax. This year 40 members qualified for the SLC and the chapter had 9 State Torch Award receipents. There were 8 National Torch Award receipents, however only 6 attended the National Leadership Conference in Anaheim, California. Congratulations to all of the Capac Chapter members. You did an outstanding job!

Four County Foundation

The Four County Community Foundation was founded in 1986 by a small group of dedicated citizens. Funding for this endeavor was provided by the sale of the community Hospital located in Almont. Each year, funding is given to support the arts, service projects, education, health and much. Since its beginning, the foundation has given over $1.5 million in grants and scholarships. During the last eleven years, the organization has gone from simply a collection of young people to an actual active unit working together. On the Youth Advisory Committee, there is representation from six different school districts in the 4-county service area. These schools include Almont, Armada, Capac, Dryden, Imlay City and Romeo. Twenty-one youth sit on the Board at the present time. Students in grades 7-12 have the opportunity to take an active part in their community, to be involved in something larger than themselves. Katrina Campau, Ryan Soullier and Katie Hollenbeck are our representatives on the YAC.

A TEAM DRIVEN TO SUCCESS

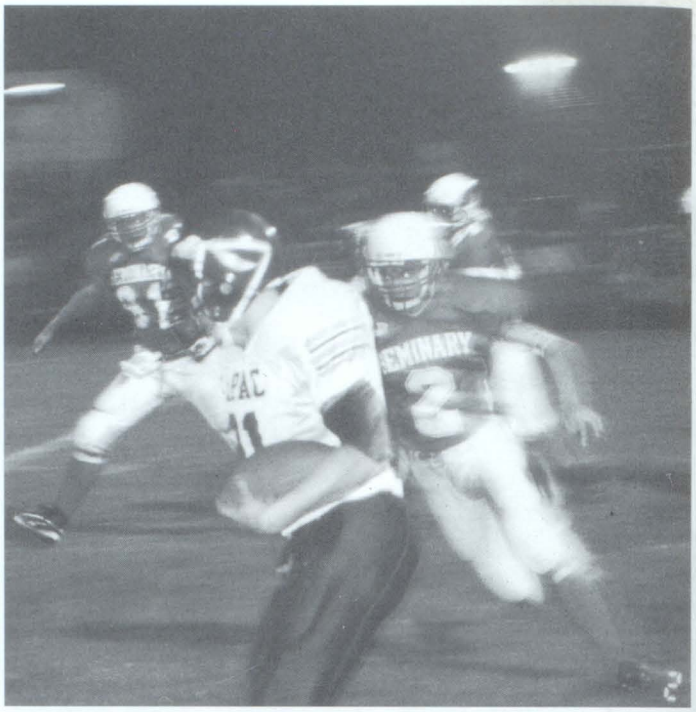

FOOTBALL

The Capac Chiefs Varsity Football team proved themseleves with yet another winning season.

The Chiefs were led by the S.T.A's number one defense which included an amazing four shutouts. In the five wins the chiefs only allowed six points. The defense was led by linebacker of the year C.J. Pietrzak who was one of four captains.

On the offensive side of the ball it was a little bit more of a struggle as senior Fullback Zack Stroup paced the way with his first team S.T.A. honors as he ran behind a first year offense.

The year was not all glory though as coach Glennie puts it, "This was a tough year from beginning to end, with 19 injuries. I'm proud of the effort this year's team put forth and the struggles they overcame to finish with a winning season."

CHEERING OUR GUYS TO A VICTORY!

CHEERLEADING

There is a lot of hard work and dedication in being a cheerleader. These twelve outstanding girls never let our Varsity Football Team down. They were at every game cheering them on to a victory.

With practices four days a week and a game on Friday, these girls take time out of their schedules to cheer on the Football players and get the crowd involved in each and every game. With practices being a lot of work, they still try to learn new things to get the crowd and players pumped up at each game.

This was Mrs. Rummler's last year as a Varsity cheerleading coach. Not only was she an outstanding coach, she worked hard with her team to make to make them the best. We wish her luck in everything she does.

This was a good season for the girls. The season would not have been as good if these girls did not show their determination and pride of being a Varsity Cheerleader!

For Freshman Football players this is their opportunity to prove to the school as well as themselves that Football in C-town will carry on strong for at least Four more years.

With a 7-1 overall record, including four goose eggs, this team has been a force to be reckoned with all season. Outscoring their opponents by more than one hundred points in their first two games the Freshman chiefs have shown that their defense can hold off any assualt presented by their opponents. Led by an astounding offense the Chiefs had a season point total of 336 points in only eight games. This averages out to a tremendous 42 points per game.

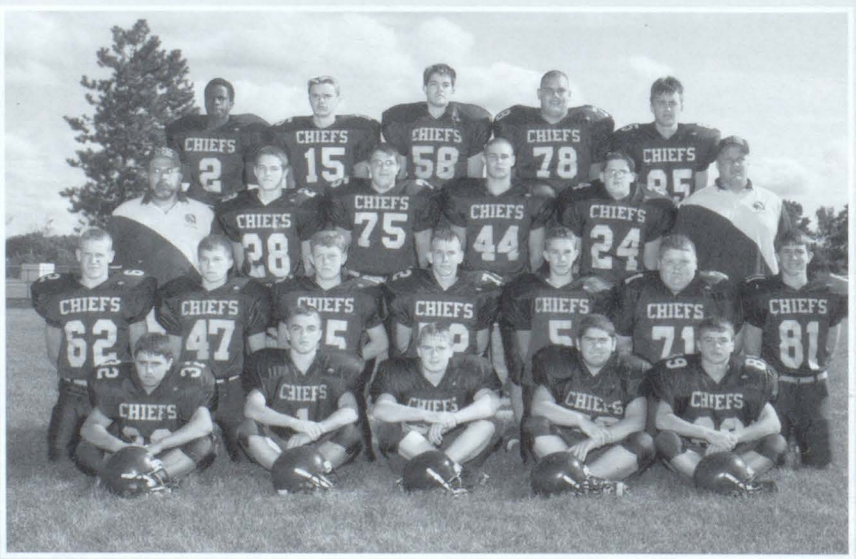

If you are a C-town Football Fan then you won't have to worry about losing bragging rights as long as this team is still playing.

There is no greater feeling as a senior than performing well under pressure during an important sports event. Whether you wrestle, play basketball, or run track it is important to compete especially as a senior. For most athletes their senior year is the last step in their athletic careers.

Few will move on to college athletics, but they will always remember their senior year.

8TH GRADE FOOTBALL

THE FUTURE OF FOOTBALL IN C-TOWN

This year the 8th grade football team struggled to find a rhythm. Coach Muldoon had this to say in regards to his team this year, "Although the scores, and our season record did not show it, we were a very competitive team. I hope the players enjoyed themselves and learned a little about the game of football this year." The team captains were Mike Gutierrez, Mike Thomas, and Andrew Goiet.

With a record of 1-4 these players will look to improve there skills a little before they plan on having a winning season next season. This year's team featured an athlete of the opposite sex. Danielle Kiss, running back for the 8th grade Chiefs, was the only girl on the team. She worked hard to prove she could play ball with the boys.

The 8th grade cheerleaders of this year had the first of many fun and exciting seasons of cheerleading to come. When asked about their season the cheerleaders replied by saying, "We are looking forward to next season so that we can all be together again and cheer for our team."

Despite the losing season of the 8th grade football team the cheerleaders still cheered hard and didn't give up. They will make excellent varsity cheerleaders in their years to come.

WHAT A WAY TO WIN

GIRLS VARSITY BASKETBALL

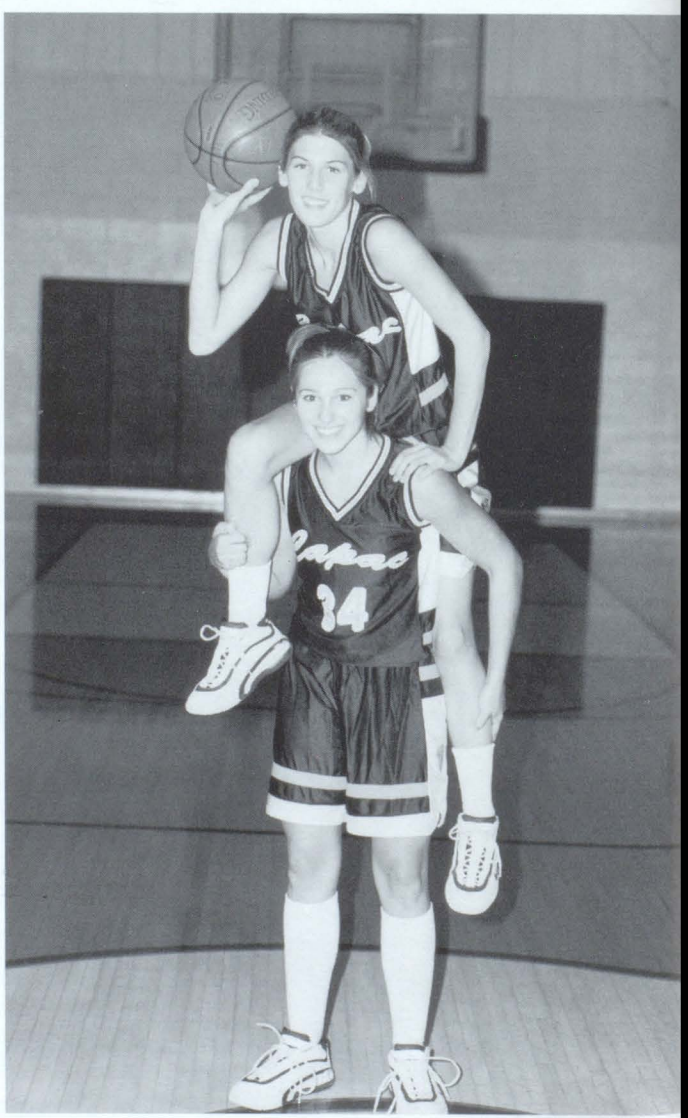

"This year's team was a very exciting one to coach."

Once again this year's Lady Chiefs Basketball team has had very successful season. "The girls set a lot of lofty goals and were able to obtain most of them," Coach John Topie stated. The team won the STA Championship (16-0), won 20 games (21-2), set the school record by winning 21 games in a row, won their second straight District Title, and held their opponents to an average of under 40 points.

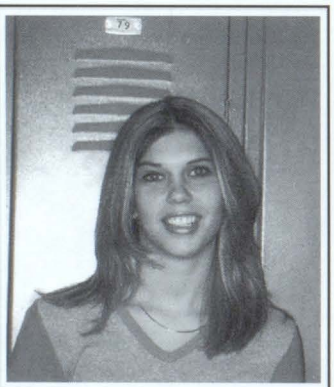

The girl's team head coach was Mr. John Topie and the assistant coaches were Ms. Mary Palmateer and Ms. Nicole Meikle.

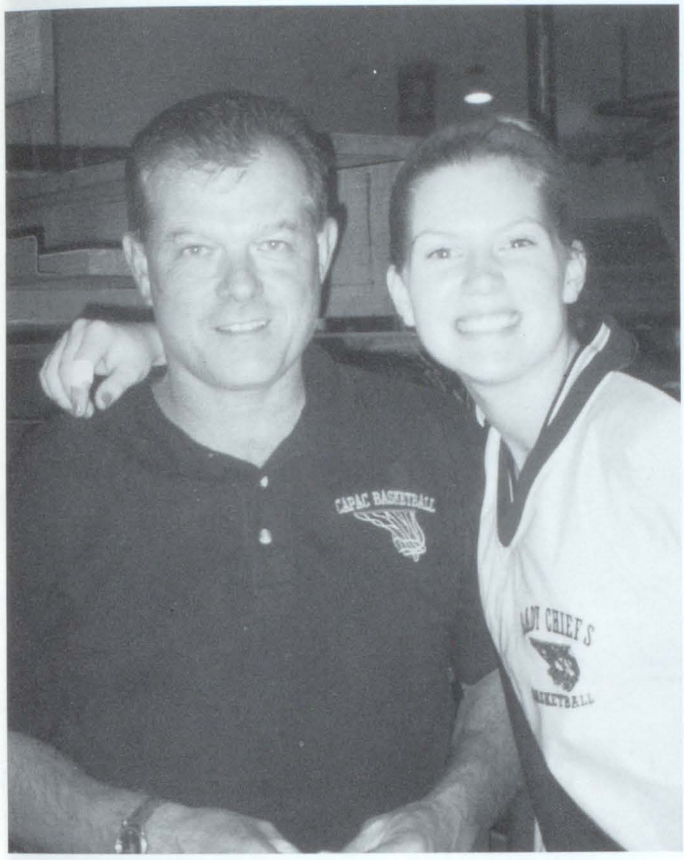

Individual accomplishments are also worth noting. Senior, Erin Cutcher, broke three school records. In a single game Erin had 35 points against Peck, her career scoring was 1,119 points breaking the record previously held by Melissa Johnson, 1987-90, of 1,117, and Erin ended her season with 88 assists eclipsing the old mark of 81. Another great accomplishment was having a 1st Team All-Stater. Megan Cutcher was named to the Class B Associated Press 1st TEam, the First time in school's history. Her sister Erin was an honorable mention pick, while Coach Topie was Coach of the Year on the honorable mention list. Individual team awards are voted on by both the team members and the coaching staff. Megan Cutcher won the Captain Award, Erin Cutcher won the M.V.P. Award, and Melissa Hull won the Most Improved Award.

This year's golf team found themselves searching for winning ways as they lost players from last year. The team was led by their three captains; Seth Duquette, Luke Hollenbeck, and Jerimiah Carden. Though the overall record doesn't show a promising season, the team had a few bright spots. Luke Hollenbeck set the school record of a 34 shot at Lum Golf Course. Shawn Lubahn was a medalist at this year's league meet. Seth Duquette was a medalist at the Capac Invitational. The players were also given their respective honors. Luke Hollenbeck made 1st team all STA and was the team's Most Valuble Player, Joe Koltunowicz got this year's Most Improved Player, and Shawn Lubahn rounded off this year's honors by getting the Most Dedicated Player. Coach Young gave his final words on this season "winning the 3rd annual Capac Tournament was a very pleasant suprise."

CROSS COUNTRY

SAMPSON TAKES OVER

This year started out as a bit of a struggle, but once again the girls team reached a new level.

Julie Pelak proved herself worthy of her Varsity position with running nothing less than 49th place (at state). She placed within the top Five of every race in which she competed. She Finished with a First in Genesee and Lapeer County Invitationals.

You need numbers in Cross Country to be successful. Our program is in its infancy so we didn't have the numbers we wanted this season. The runners we did have, though, worked extremely hard and deserve huge accolades. We will get nothing but better. Meghan Libke ranked 16th in the Regional competition, Katie Kolaczynski reached a high of 18th place. Andrea Sawicki achieved 35th place, Lindsey Hlubic with a 44th place, Laura Koning Finished in 51st place with Bethany Kolaczynski close behind her with a 52nd place.

"I had an incredible group. They worked extremely hard at a sport that sets no headlines. I was very proud of both groups." - Coach Sampson

BOWLIN' OUR BEST

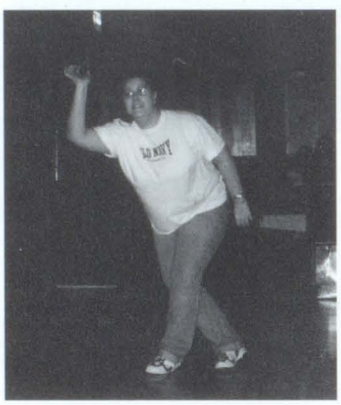

GIRLS BOWLING

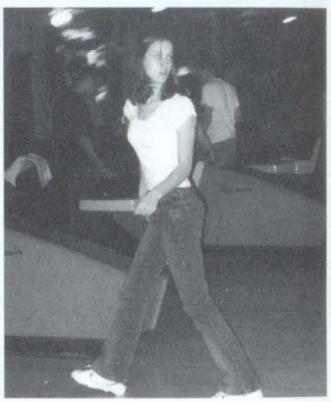

This year the girls had a great season. They were coached by Mr. John Hollenbeck and for some of the season by Mr. Klug. The girls bowling team consisted of eleven girls. Five seniors, Kim Hudson, Jessica James, Laura Koning, Staci Surprenant, and Stephanie Voelker. Six juniors, Amanda Hill, Emily Jackson, Nichole James, Julie Kozak, Marnie Malecki, and Kristen SchwartzkopF.

Over the course of the year the girl's team was consistently in fourth place. That is where they stayed the majority of the year. There were two regional qualifiers, Kim Hudson and Laura Koning. As a team the girls made it to the team regionals. There they made it to the semifinals. The girls did an outstanding job this season.

FRAME

The second year into things is not always the brightest point of a franchise. This year's boys varsity bowling team found some highs and some lows. Always at the highs you would find our very own Shayne Malecki. Shayne has been on the team for two years now and has had the highest average on the team both seasons. Four other seniors as well as two freshman completed the varsity team this year. The seniors were Seth Duquette, Luke Hollenbeck, and Carl Nelson, and Andrew Henry. Tristan Moseley and Burke Jenne were the teams freshmen bowlers. The team was coached by a former Capac teacher Ken Marzka. "It's been great fun for me to watch these kids in the competitive arena. Sometimes with clutch wins and other times with heartbreaking loses. I will miss my seniors more than I can say," as coach Marzka puts his final words on the season.

BASKETBALL

The Capac Boys Basketball team finished out the season with a 15 and 7 mark. They ended up a third place rank in S.T.A. competition. This was Mr. Lengemann's first year as the head coach. The team had to overcome some mid season setbacks, at one time they were down to only three original starters out of five and had lost a key sixth man off the bench. But the team pulled together and managed to make a run at the end of the season and into districts. In districts they managed to avenge a tough loss that they encountered during regular season play against Imlay City. In the second round of the Districts Capac lost to Avondale. Coach Lengemann had this to say about the season, "We played an up tempo, pressure defensive game, and we played it really well. We suffered some losses in the middle of the season when we lost a few key players but responded well and continued to play hard. The players and the coaches never gave up, and we are all proud of our season."

COMPETITIVE CHEERLEADING

WORKING HARD TO BE NUMBER ONE!

Competitive cheerleaders have a short time to prepare for a very hard season. Like any other sport, these girls get a lot of pressure put on them. With perfecting voices, doing stunts, and getting every move perfect, cheerleaders work hard to be number one. In the end, all this hard work and dedication will be paid off by knowing what a great season they had.

Not only is competitive cheerleading a challenge, getting a new coach is also very challenging. Coach Laura Davis took over coaching these amazing girls.

This year, competitive cheerleading has made a small change. Instead of three rounds, it was changed to two rounds. First round consists of ripples and jumps and second round is filled with stunts and dancing. These girls had no problem with this change.

So at the end of this season you may wonder if their season was hard. Well of course it was. At least all the girls could say this was a season to remember!

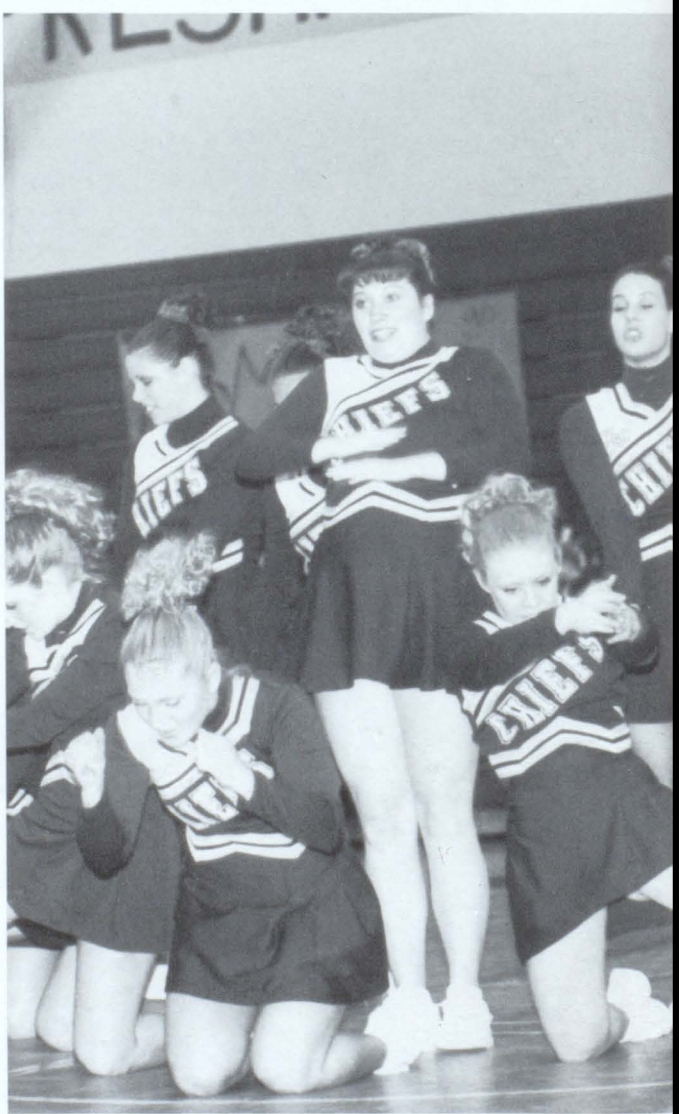

Top Right: These girls can say that milk does a body good!

JV CHEER

JV BASKETBALL

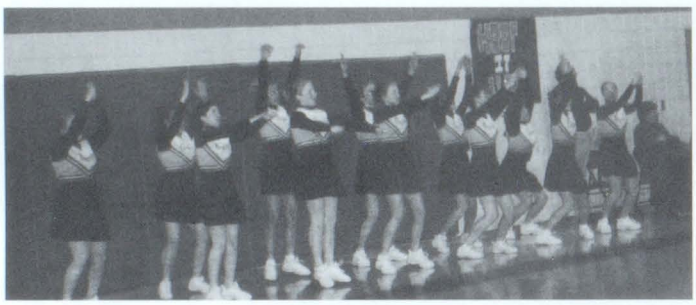

The JV basketball team had a impressive season with a 15-5 record. They practiced hard all season long and it definitley showed come game time. Their 82 point total for the Almont game at home was just one of three eighty point performances on the year.
Overall the season was very impresive and the team had many highlights.

JV CHEERLEADING

The JV cheer team had an equally impressive season but was a little shorter this year due to a calcium shortage in which they decided to borrow (steal) some milk.
They practiced throughout the scandal and returned with the spirit the team had been lacking.

J.H. WRESTLING

BUILDING BLOCKS TO C-TOWN TRADITION

FRESHMEN B-BALL

As the next generation to be moving on up, the Jr. High wrestling team and the Freshmen basketball team work hard to show that C-town will continue on with its' winning ways. The Jr. High wrestling team exhibited an excellent season with eight wrestlers showing a fifty percent win-loss record or better. This years team also had a little more to adapt to with two girls also joining the team: Racheal Beaupre, and Rachel Kidwell. The team looks to continue the C-town tradition of winning in years to come.

The Freshmen Basketball team had a very impressive season with a 10-2 record. Don't think that this year was just a fluke. As seventh graders this team went undefeated, 12-0. And in eighth grade they only lost one game. That's a three year record of 36-3. Other teams could learn a lot from this team. They show hard work and dedication in practice all year. You play in the game the same way as in practice! Look out for this group of players in the future. They are sure to gain a win for C-town. Go Chiefs!!!

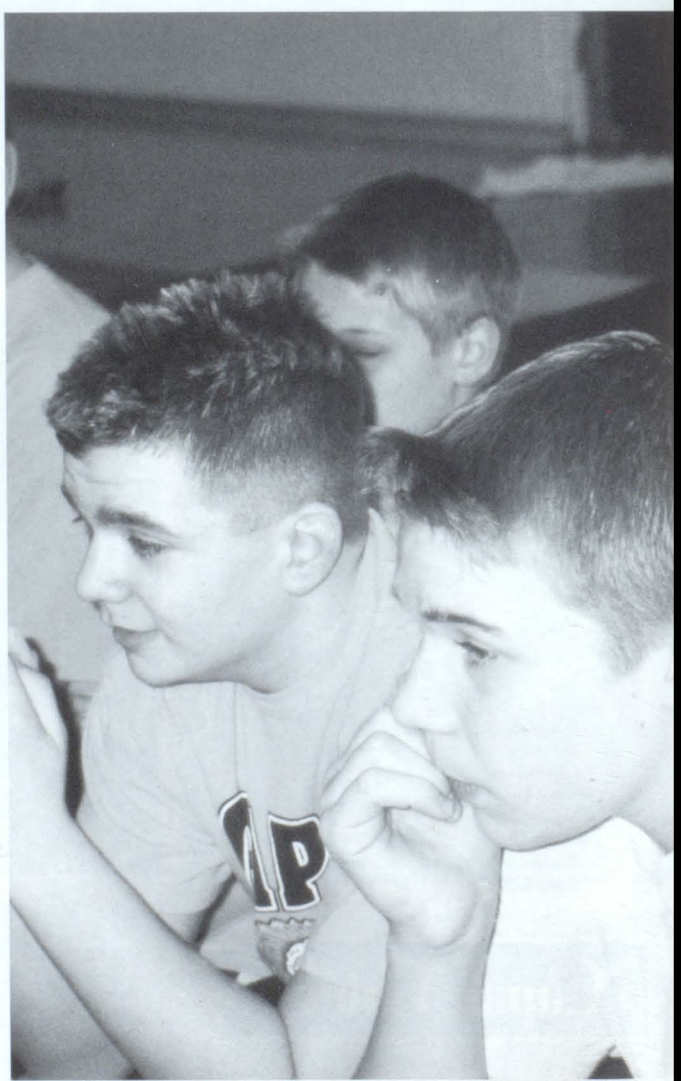

Top Right: I'd hate to be in this kid's shoes. The referee raises Rachel Kidwell's hand after pinning her Richmond opponent. How does it feel to be beat by a girl, little man!?!?!

Above: Donny Hunsucker and Justin Gavlinski pose for a picture before they were scheduled to take it to the mats against Richmond. Donny's record for the year was 8-3 with 6 pins. Justin's record was 7-4 with 6 pins.

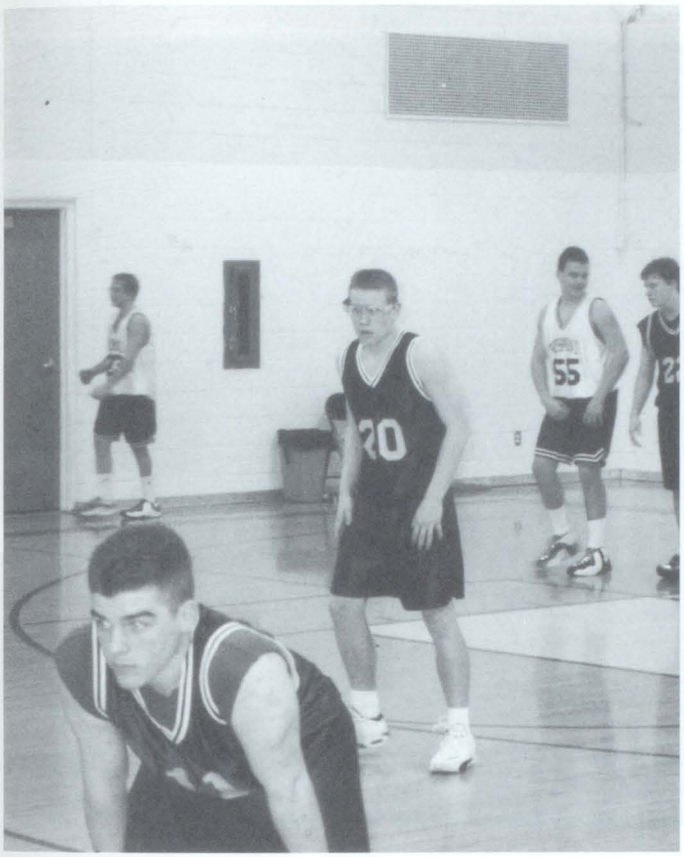

Right: Brandon White and Adam Porter watch closely as the Richmond wrestling team warms up. Little do the Richmond squad know that a couple of Capac wrestlers are just scoping out the competition. J.H. wrestling doesn't take team points but if they did Capac probably would've won this meet by Far.

Wesley Burns is pretty excited after just pinning his Richmond opponent. Wesley exhibited the best numbers on this years team with a 10-2 record. The ten wins includes seven pins.

Below: Capac Players: Alan Burk; Cliff Patton; Tom Paluch; and Luke Stuever wait in a half court defense as the Richmond offense brings the ball up the court in the third quarter of the game. Capac faced off against Richmond three times this season. Capac managed to win the first two matchups, but was upset in their third meeting. The game that Capac lost was after one of their leading scorers, Peter Browning, was taken up to the Junior Varsity team. He was also one of Capac's better known defenders on this young Freshmen team.

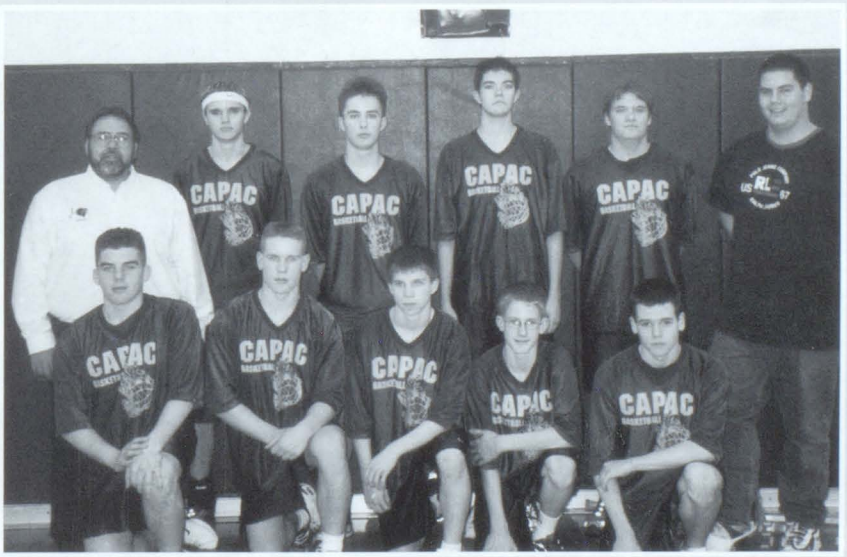

Left: As teammates Luke Stuever and Cliff Patton get warmed up for the game, Greg Lewis nervously wonders if he remembered to put on his underwear before the game?!?! Look at his face, I think he forgot!

TIL OUR GOOD IS BETTER AND OUR BETTER IS BEST!

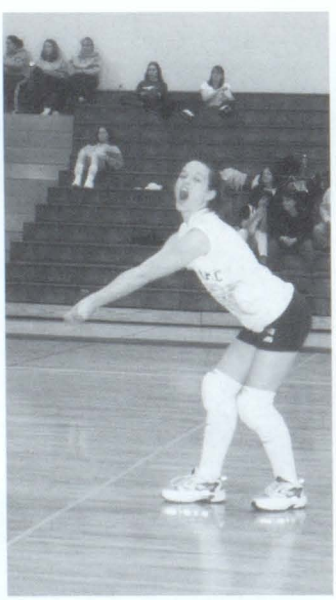

With four returning players, the 2001 Varsity Volleyball team had experience and determination. They were led by captains Laura Lentz and Katie Kolaczynski. The Lady Chiefs used hard work to fight for victory. They pulled through injuries and never let each other down. They had many highpoints this year, one being their game against Almont. The girls played to the very end, and never gave up.

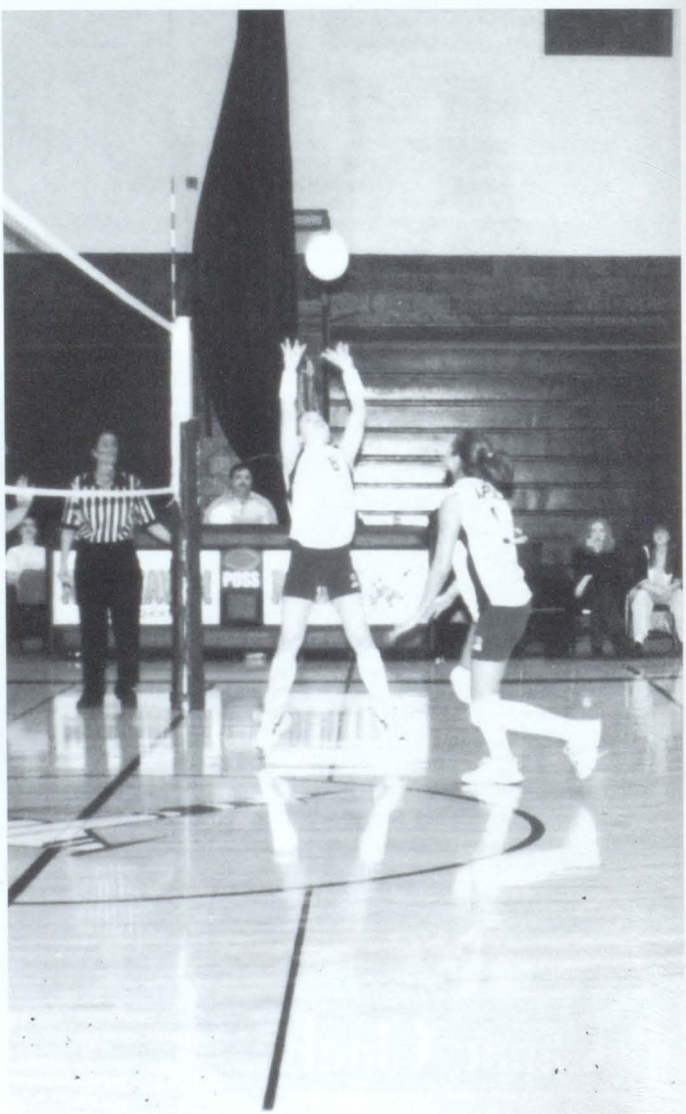

Along with the graduating seniors, we will also be losing one of the best Volleyball Coaches around. Coach Steve Sampson will also be retiring this year. During his four years coaching at Capac High School he has achieved many goals and has molded many athletes. He will be missed, and never forgotten.

BASEBALL

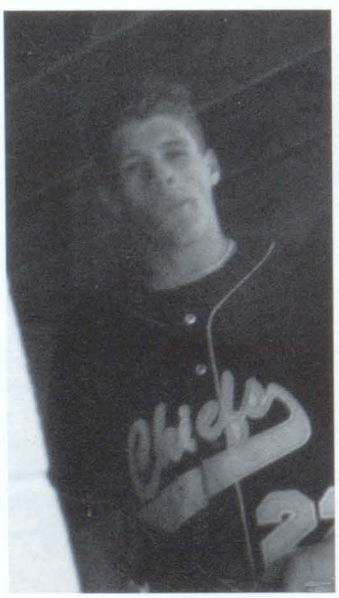

The 2001 varsity baseball season was a successful one. The team finished with a record of 13 wins and 9 losses. The team was lead by four seniors, Zack Stroup, Jeremiah Carden, Justin Schocke, and Brian Greenia. The team had a winning streak of seven consecutive games and finished fourth in the STA. Coach Standerfer had this to say about the team; "We played hard and hit well most of the year." With eight players returning next year, the Capac baseball program should be in excellent shape!

The junior high track program has had a great season this year. With the seventh and eighth graders' hard work and dedication, many students achieved their personal goals and the team's goals as well. Zack Stroup

Zack,
From the moment you were born, we have loved you. You have grown into a man before our eyes. What we see is what you have inside that not a lot of people can see. You have strength, courage, and the most important thing, a lot of love. You will never know how proud we are to say, "That's our son!"

With all our love,
Mom, Dad, Shane, and Brianna

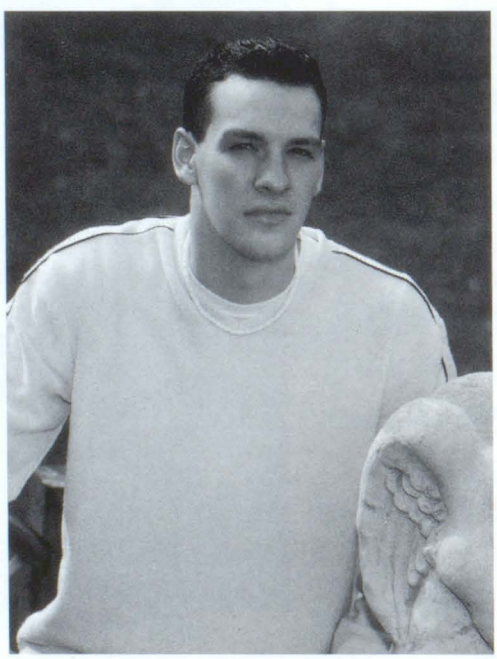

Jonathan David Barnett

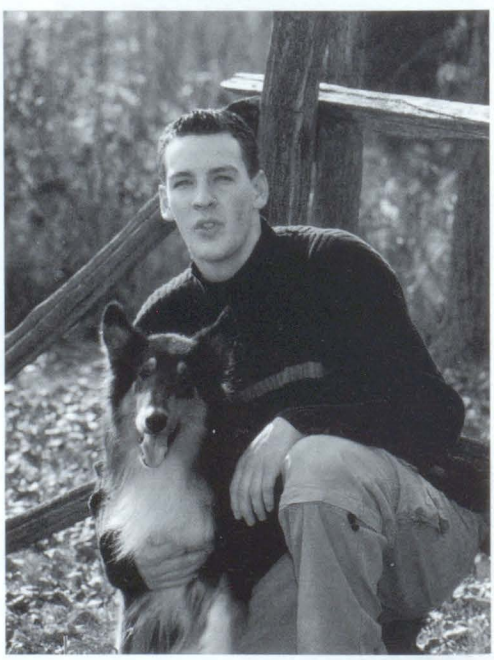

"Have your conduct honorable...that when they (as evildoers) speak against you, they may, by your good works which they observe, glorify god..." I Peter 2:12

Son, you have been such a delight to us. Fom the fist day we realized you were coming into our world, we knew we were blessed beyond what we deserved. You were so inquisitive as a child and how you ever figured out how to break into the most complicated cookie canisters I could find, I'll never know. We have watched you grow in the nurture and admonition of the Lord and it brings us joy beyond anything this world has to offer. We know you to be an honorable man, someone with character and courage - we value your ingenuity, integrity and ethics as a priceless treasure. Your Daddy and I have seen some difficult and often heartbreaking times in our lives, but this moment in time, when you reach out your hand to receive this diploma, this is the doorway where our paths will begin to go in different directions. I do not know how the sun will ever be so bright in the sky again, but it is admiration, confidence, and trust in our Heavenly Father that this hardest of all moments for us we shall meet. Always, forever, and locked into eternity is our love for you, and always, forever and locked into eternity, we will pray for you, encourage you, and welcome you to our home again. Go with God, son Jon. May God bless and keep you and make His face to shine upon you...

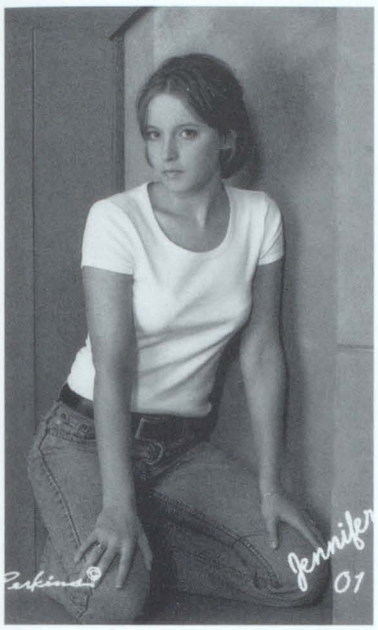

I love you,

Mom

Jennifer Marie Doutry

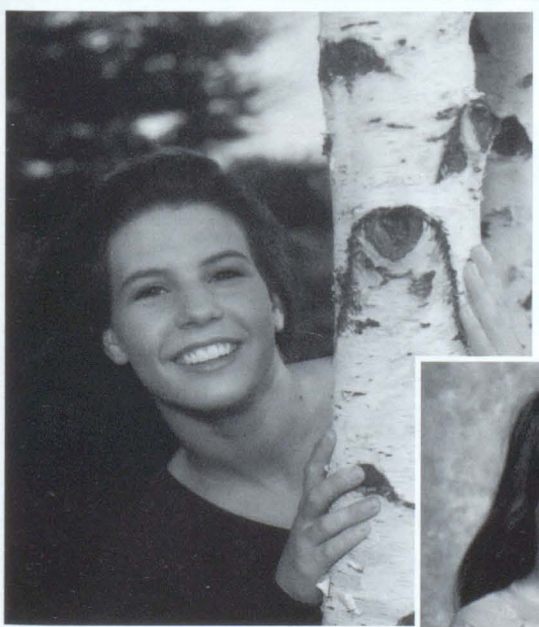

We are very proud of the young lady you have become. There is no doubt in our mind that whatever you set out to do in life you will accomplish. Just follow your dreams and they will come true.

Love You Always,

As the youngest in our family, you always tried to make your own "mark" and never settle for second best. It shows in everything you do. We are proud of your many accomplishments but more than that, we have blessed with a lovely daughter, a very special gift from God.

We Love You!

TREASURES FROM A SON

I remember our "work-do" boy.
I remember your gorgeous curls.
I remember how you named yourself...
"Me, Miah!"
I remember you wanting to know where all
Those kids were going?
To school, Dad said. "I want to go, too!"
I remember you asking Dad to take you to meet the girl next door-
But wait, Dad.
Then you picked a handful of dandelions.
"OK, Dad, now I'm ready!"
I remember you insisted we raise our hand at the dinner table
In order to talk-
That's how much pre-school impressed you.
I remember your Confirmation-

A study in tenacity during illness.
I remember your first dance.
I remember your first prom-
"Mom better not go cheap" on your date's corsage.
I remember you always being proud of your GPA.
I remember your quiet, awed expression after your varsity homerun.
Now,
It's time for you to fly solo.
Now, It's time for you to
Remember we expect much - for you have so much to give.
Remember you have the work ethic, drive, and perseverance to reach all your goals.
Remember who you are and Whose you are.
Remember you can never leave our hearts.
Remember, We gave you all we had-
That was our gift to you.
Now,
Go, and become the best of us all-using all your talents.
That will be your gift to us.

Love, Mom and Dad

If one is very lucky in life, one might get a miracle.
We were extraordinarily lucky - we got two.

Believe in yourself as we believe in you.
Follow your heart and all of your dreams will come true.

Love you always,
Mom and Dad

From protecting me when we were little - to driving me around - to making me feel better when I was sad - you've always been a great sister. I never really told you how much you mean to me. Thank you for everything.
